

Dinner menu

Together with our head chef, we are designing Majstre's dinner menu for the summer. Once the work is completed, all dishes will be presented on the website.

Last year's butter-fried halibut with morel sauce, spinach and lemon-marinated fennel, is likely to be on the list, and homemade béarnaise will be back with the entrecôte.

The dessert menu includes classic crème brûlée and homemade chocolate truffle for the espresso.

Welcome to Majstre!
