STJÄRTILLERIET
CONTAGION CENTER

Hello person,

We at Stjärtilleriet contagion center for sexytime illnesses and treatments have been notified by a hottie near you that you might be carrying the chlamydia. Do not be alarmed; we have years of experience treating it with the best of medicines according to the FDA, WHO, FHM, UNESCO, PETA and so on, nooooot.

Your chlamydia should be treated with antibiotics but if you're anti them biotics we suggest you try any of these new age drinkable cures listed bellow (*sides effects may include but are not limited to lightheadedness, an urge to dance, texting your ex, karaoke, more chlamydia*): a cure costs 179kr

TÅRTA is a perfect cure with a flavour remeniscence of a summer cake topped with cream and nutty oil. If a good childhood memory can't cure your illness then look at our other suggestions. *This cure contains raspberry, koskenkorva climate action, almond cream, fig leaf oil.*

MIAMI IS NOT WISE, ACTUALLY FRICKIN STUPID

it's quite clear that you got infected with your illness during your visit in miami, disgusting place. this cure dont just reverse your illness but also recover your brain damage that you recived from breathing the miami air, you'll be able to count to 20 agian in just a minute. *This cure contains strawberry, pineapple, Takamaka Blanc, fig leaf*

SUPER MEGA SUMMER

DRANK THAT YOU'LL

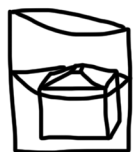

ORDER 4 ROUNDS OF #2

this cure taste so much like early fall that it scares away the emo fall hating frickin illness, the illness likes depressing winters and hates happy early fall memories. *This cure contains lingonberry, Norrbottens Destilleri Forrest, bird cherry blossom, strawberry*

FORREST THANG

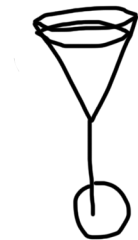

the illness is not a fan of woosy stuff, woosy witchcraferly where witches wishes you well and write unwell wishes for the illness in a foreign writin so the illness will leave your body <3 *This cure contains Norrbottens Destilleri Forrest Gin, blackcurrant leaf, fir shoot*

MAKE BLACK THE NEW ORANGE AGAIN this cure takes time, in fact around 80 days.

the cure has been cooked at 60 degrees for that amount of time so the orange turns black slowly and produces flavours reminiscing of chocolate. The illness fricking hate chocolate.

This cure contains blackened orange, Ramsbury Vodka, rhubarb

PASSION FOR

DRANK WITH PASSION

some have a passion for christ and try to pray their illness away, other like you have a passion for passionate frisky buisness, this is a case of a fight fire with fire kind of situation where your passion for naughtyness brought you here in the first place and now the passion in this drink deals with the side effects of passion for friskyness.

This cure contains Altos Tequila, all parts of a super tasty passion fruit, Empirical Spirits The Plum, I Suppose

I SWALLOWED THE SEAWATER, WILL I DIE NOW?

a cure reliant on your love for the sea, a bath in the ocean is a natural way to clean yourself, but the cleanse your inside is logicly to drink the sea, preferably party frozen, and lucky are you that that is exactly what we are offering you here paired with some sour apples and sugar snaps.

This cure contains seaweed, granny smith apples, geranium, Norrbottens Destilleri Akvavit

WE HAVE MORE CURES ON ANOTHER PAPER

ESPRESSO MARTINI ON STERIODS is a energetic cure that makes the virus dance, dance uncontrollably, so uncontrollably that it leaves the body trough the peehole! This cure is reminiscing of an epresso martini but much much much much much much much much much better in our opinion. *This cure contains Koskenkorva Climate change, Mr. Black Coffee Liqueur, caramelized taggiache olives, tanzanian chocolate foam.*

DAKIRII the timeless, antivaxxers cure that forever has done the job for most people. updated and more aromatic with a spirit blend of the very tasty thang. *This cure contains Takamaka Light Rum, lime, baiju, jasmine.*

MONACO SHANDY this cure is super shuggable which means you can consume more of it, which is nice! perfumey and almost a little bit middle eastern type of cure. More is more and less is less but less is not always worse but in this case much is very good. *This cure contains Peroni, pomegranit, neroli. **boozeless version available***

HOPE PUTIN POOPS HIS PANTS EVERY DAY- MULE this cure involves magic, everytime you consume this cure a little fairy waves its wand and putin makes a little little poop in his pants, other than that its not that much of an effective cure, you might need to consume multiple of this cure to get your virus treated. *This cure contains Rum Fire, lime, galanga, spices*

DRAJJA booze kills bacteria, virus & bacteria are like kinda the same thing... *This cure contains Hernö Juniper Cask Gin, Empirical Spirits The Plum, I Suppose, Dry Vermouth*

IRISH COFFEE hot hot hot coffee, spiced spiced spiced sugar, cold cold cold cream, irish irish irish whisky. This is a cure that doesn't work at all, but its all fun and yum. *This cure contains Jameson Black Barrel, coffee, spices, fig leaf, cream, long pepper*

LILL LILLA LEO a dark and grown cure that comes with no side effects. *This cure contains home made alcoholfree bitters, crab apple, coffee **boozeless version only available***
