VERJUS, VANILLA,
ABSOLUT VODKA, CREAM,
BUTTER AND GLUTENFREE OATS**

If u do love the very fantastic much bieno
birthday boi or gurl day this is for you!

Or just want the very caramalization
for the nation of the apple fruit.

Remember what your mom told
you on the phone yesterday...

Take what you deserve, and you deserve
to have a 8 min of birthday time today!

This little drink is a liquid alcoholic tarte tatin
topped with cream and cake crumbles.

We have deconstructed a tarte tatin
and made it into liquid.

Not as sweeeeeeeet as u might think
and nice sourness finess

VANILLA, PEAR EAU DE VIE, COGNAC,
CHILLI, A FEW DROPS OF MILK**

SMAASHABLE, like someone you find schmexi
or like a car or something that that big
green dude that is not shrek (well he can try
but will never reach shreks greatness) screams
before he crushes something, that guy. You
will be able to drink this wole thing in one breath,
very vanilla forward, fruity, with a bit of a
cheesy flavour in the back that together
with the vanilla appears dressed almost
like roasted white chocolati. BUBBLY; TRUBBELY.
yummy in the tummy. Easy, cheesy.

Some might say a wonderment,
Overthrow the goverment? :)

"I THOUGHT DAT
RAS EL HANOUT WAS
A BATMAN VILLAIN?!"

BANANA,
SHISO,
DARK RUM
VERJUS

ALL THAT
CARBONATED
TOPPED WITH
RAS EL HANOUT FOAM

*CONTAINS EGG WHITE
& SOY LECITIN*

Its a bird, its a plane, no its a stew-falvoured foam on top of the drank. We made a foam out of ras el hanout, which is a etiopian curry of sorts and Shaoxin wine that is a rice wine that taste like pure umami, like soy sauce with out the salt. To that stew foam we serve a bubbly trubby refreshing and sour drank made out of shiso, verjus, roasted banana and dark rum. BIG SIPPIES in the beggning so you get both layers in the mouth at the same tajm for full effect. Drink all of your meal and you'll get to order a dessert drank afterwards. maybe that tarte tatin drank in the beggning of the

menu. <3

AL PASTOR!

GRILLED PINEAPPLE,
STJÄRTILLERIET <3 STOCKHOLMS BRÄNNERI "HABANANAS",
CILANTRO, CORN, TOPPED WITH BONE MARROW OIL

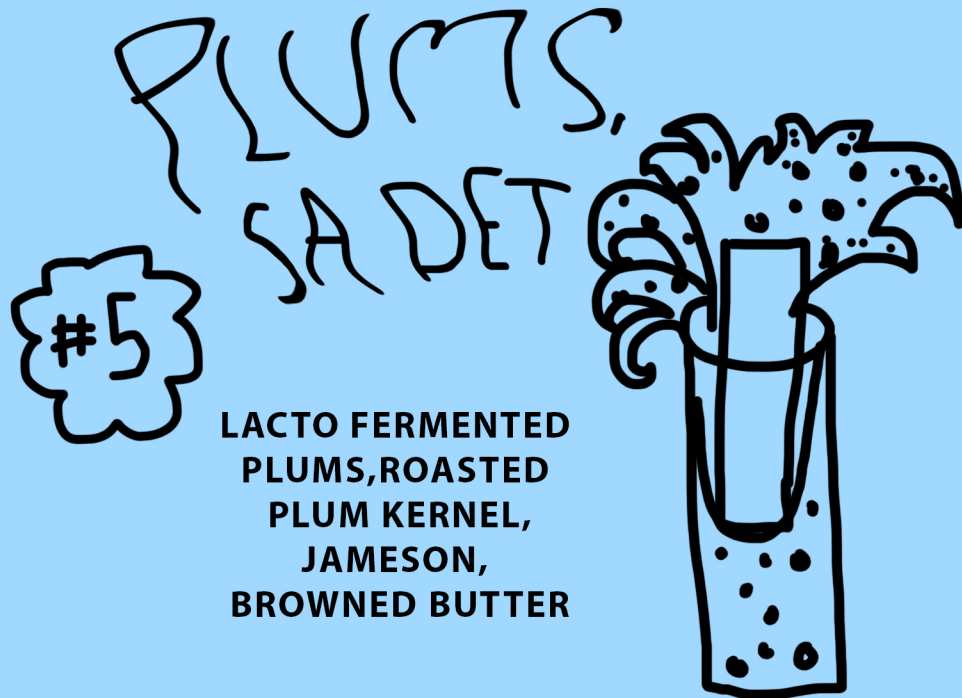

TACOS AL PASTOR!!!! In liquid format!!! Gooseskin aka arm-hair-boner. Tacos al pastor is la kebab style spinning meat stick with a pineapple on top geniun mexican taco. Hugos love to the mexican kitchen is big so a taco drink has been on the wall for a while... AND NOW ITS HEREEEEEE!!!!!!!!!!

Habananas is our collab spirit with Stockholms Bränneri, a spirit made with red habanaero and lacto fermented pineapple, we ferment the pineapple to abstract its flavour so it will do the marriage with the unique fantastic fruitiness in the habanero. There's no heat in this drink, when you destill chili the heat doesnt make it trough into the spirit.

Your brain will tell you its heat, but the heat is just your tongue touching ethanol. Lots of talk..

JUST ORDER IT ITS AMAZING

BROWNED BUTTER

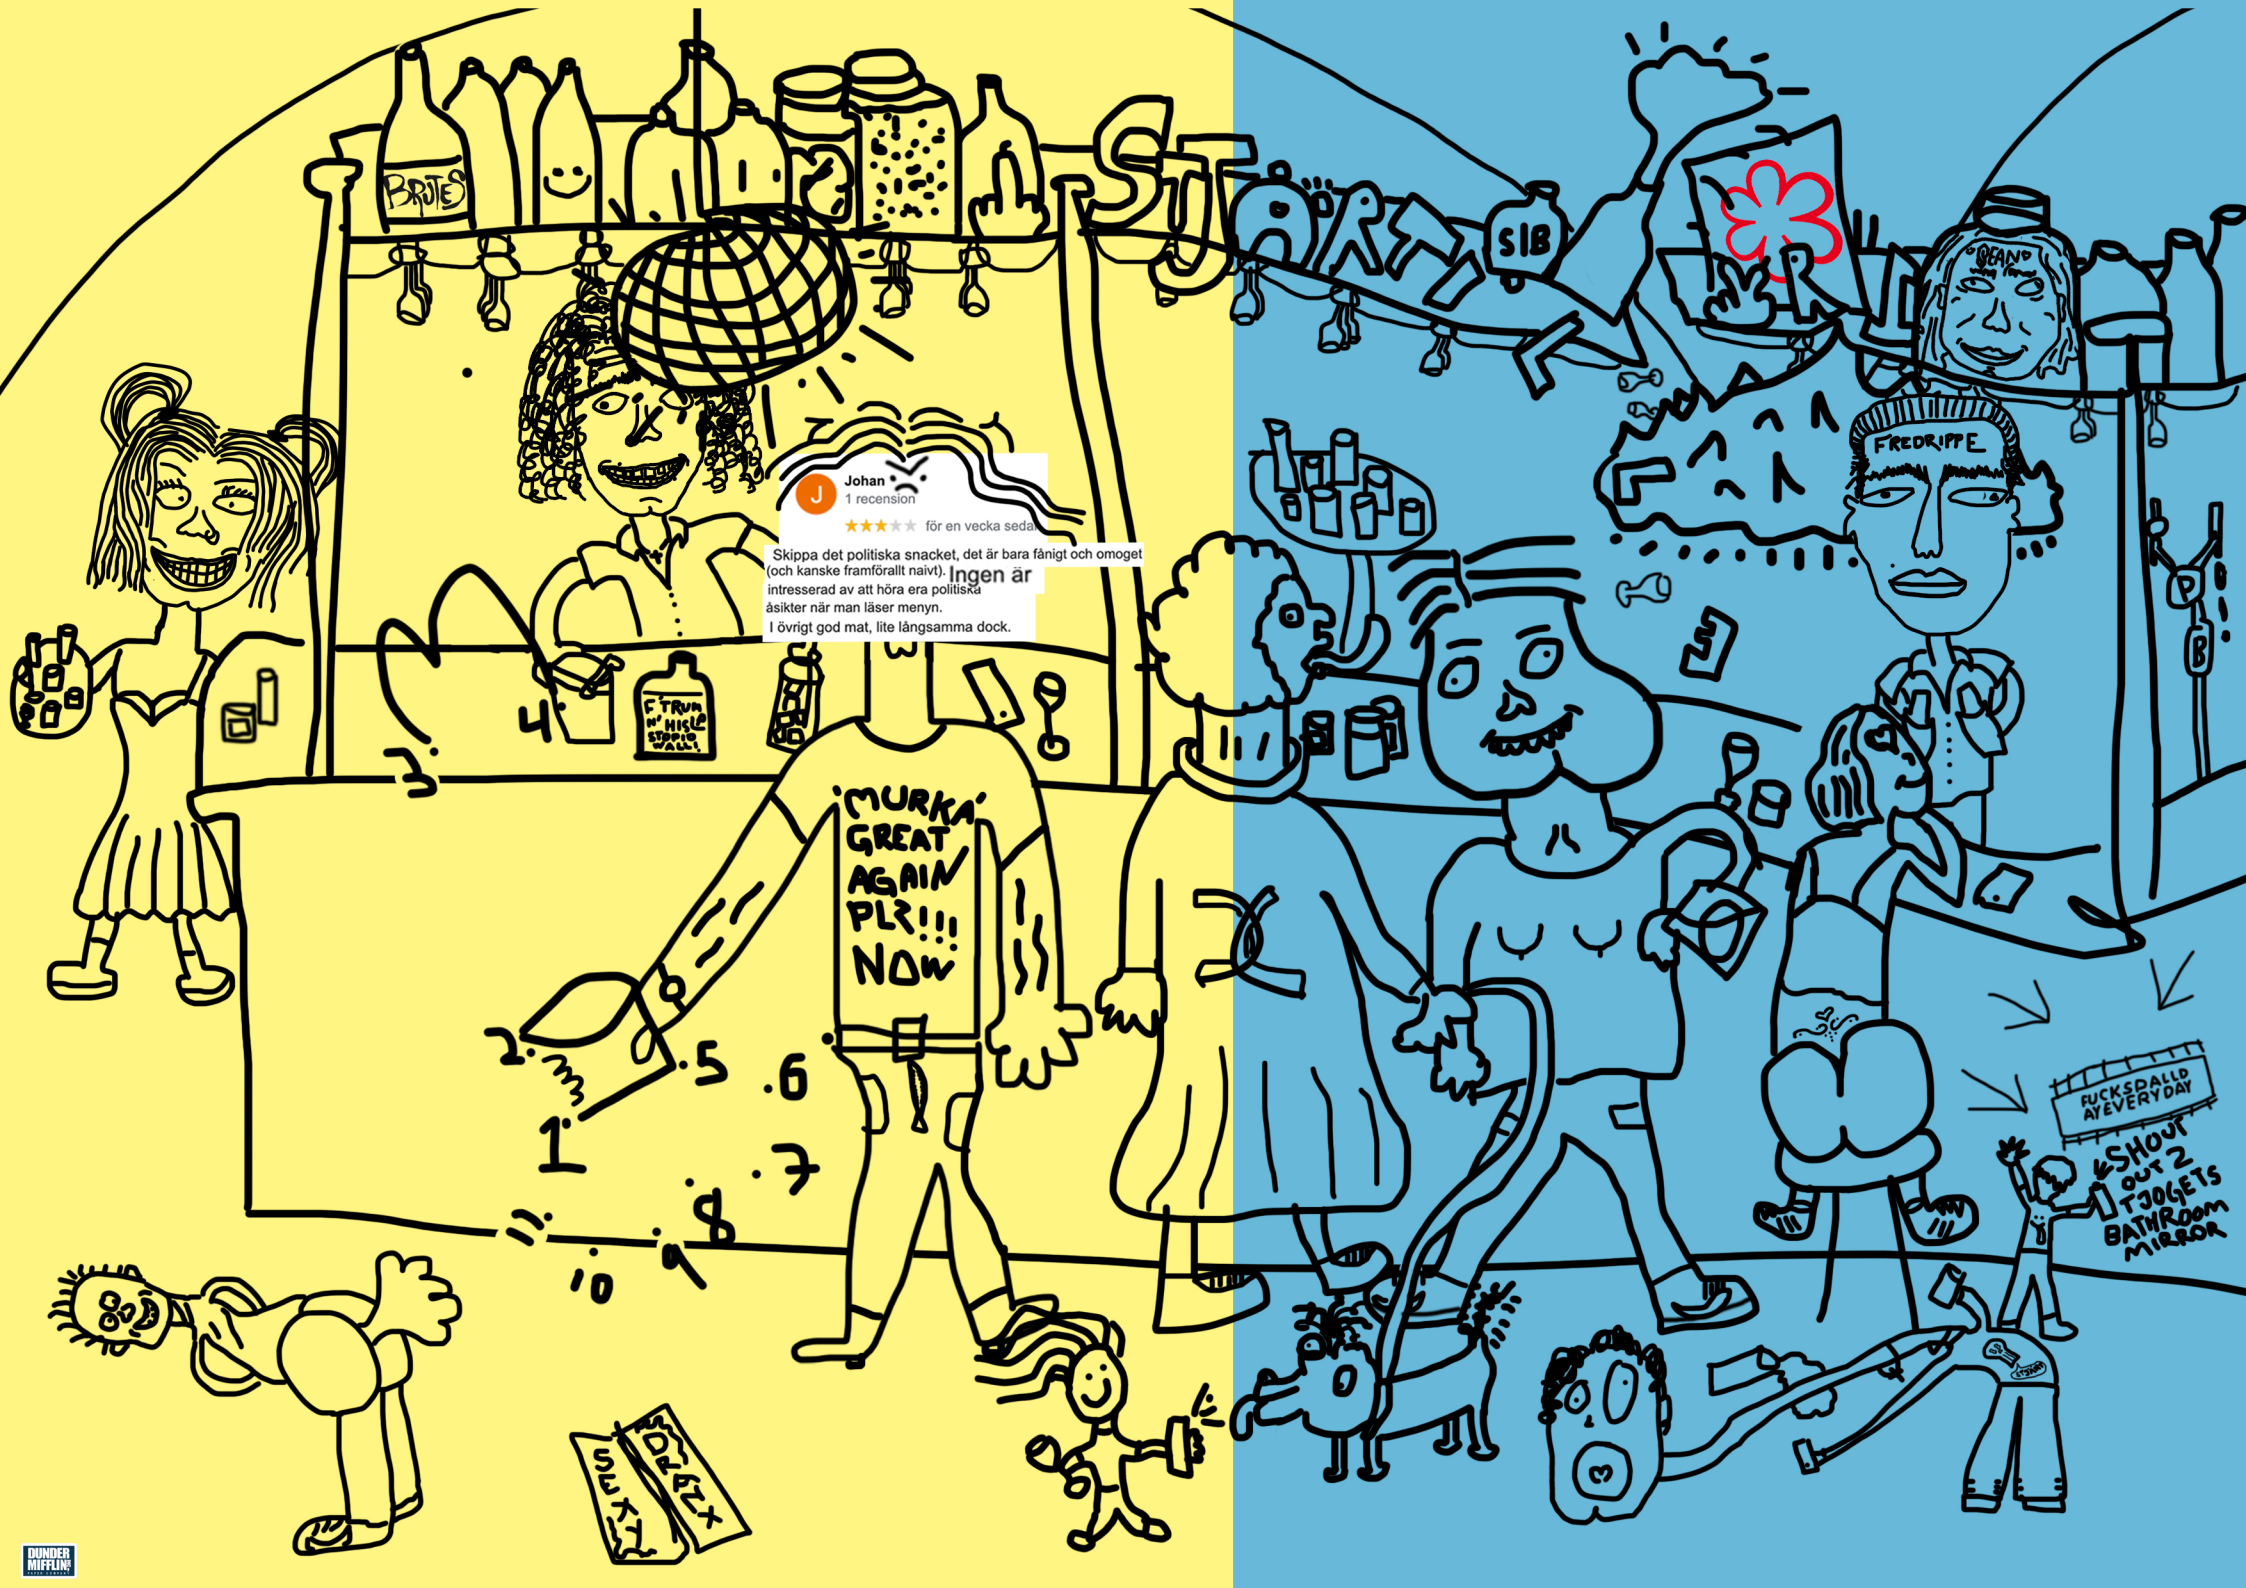

An arena full of people screaming in a high pitch, like 3 octaves above that ariana grande gurls highest pitch, that they want "PLUMS, SA DET" to come back NOW RIGHT NOW, AT THIS VERY MOMENT and this was about 3 months ago. The whole city heard the high pitch cry of the people in the arena and it never stopped. So the president Stefan Löfven called me on my very spectacular phone and asked me on his most action trailer voice please fix this big problamo only you can fix this very handsome genius boy so i went to the arena and said "OK IT WILL BE BACK WHEN THE PLUMS IS IN SEASON" So here vi are. Salty, spritzy, tasty <3

Skippa det politiska snacket, det är bara fånigt och omoget (och kanske framförallt naivt). Ingen är intresserad av att höra era politiska åsikter när man läser menyn. I övrigt god mat, lite långsamma dock.

**RYE WHISKY, APPEL, LAPSANG,
CHOCOLATE PENIS**

You guys were on the sailing boat a couple
a weeks ago and now today when u came
back and saw that some of yall
forgot a perfect red apple. Now it
has aged abit. You start hearing your
stomach speak perfectly pronounced marsian
in a cry of hunger. So you take a bite of the
apple... It taste like the sail boats
walls, some how fresh apple and SOME HOW
also whisky, the apple is also fizzy! That's
exactly how it taste like. AND lets not forget
the chocolate-(pronounced CHÓ-KÓ-LATTÉ) penis.
Eat the PENIS before you drink the drank.

So imagine a scented candle that smells aromatically woody !! Or a woody soap that smells so good that you consider that you might do a couple of squirts in the mouth as soon as the boss has walked around the corner, because you would not cope with another scandal at work after last year when Kalle saw you smack lil bit of that Aesop hand cream on your tongue that they had in the bathroom back then. What Evz maybe for everyone's benefit that they removed good hand cream in the bathroom after that In addition to that, also imagine SPIRIT, a little sweetness and acid also:) <3

STOCKHOLMS BRÄNNERI NAVY STRENGTH
PASSIONS FRUIT, AMARO OIL

How dry is an ass? Thats how dry this martini is. With help from all the billionaires and scientists in the world we have created an enzyme that adjust the dryness of this martini to match the moist procentage that's between your buttcheeks at this very moment. We have technoligy from mars, pluto and urasshole (the planet) to thank for that. So if you dont think its dry enough go and tap your butthole with some paper.. the other way around ask for some water to moist up the crack. Fruity, sour, almostpure alcohol topped with an oil that taste like an amrao <3
