

I know. I'm a lot older than I look. At times I appear as a woman, but actually I am a bird. I go by many names - Zhu Que, Suzaku, Jujak - but I'm best known as The Vermilion Bird of the South. I'm dressed in feathers in five shades of red; shades made of fire.

I believe in virtue and duty, ritually correct behavior, humanity and reliability. I offer ease and spontaneity, joy and financial success. Although I'm mostly calm and collected, please don't misjudge me.

I have quite a temper and can easily explode.

Then I have to admit that I'm rather selective about what I eat and where I nest. That's why I'm happy to have found a place among people who seem to appreciate my nature. A place with a great view where I will do my best to ignite the spark. You are more than welcome to visit me whenever you like.

Just ask for me.

## CHINESE TEA

China is the birthplace of tea. It is the most ancient and traditional of all Chinese beverages. To the Chinese people it is more common to serve tea than water with their meal. Tea is also one of the seven necessities of life - it is the life blood of the Chinese people.
