

I know. I'm a lot older than I look. At times I appear
as a woman, but actually I am a bird. I go by many
names - Zhu Que, Suzaku, Jujak - but I'm best known as
The Vermilion Bird of the South. I'm dressed in feathers
in five shades of red; shades made of fire.

I believe in virtue and duty, ritually correct behavior,
humanity and reliability. I offer ease and spontaneity,
joy and financial success. Although I'm mostly calm
and collected, please don't misjudge me.

I have quite a temper and can easily explode.

Then I have to admit that I'm rather selective about
what I eat and where I nest. That's why I'm happy to have
found a place among people who seem to appreciate
my nature. A place with a great view where
I will do my best to ignite the spark. You are more
than welcome to visit me whenever you like.

Just ask for me.

CHINESE TEA

China is the birthplace of tea. It is the most ancient and traditional of all Chinese beverages. To the Chinese people it is more common to serve tea than water with their meal. Tea is also one of the seven necessities of life, it is the life blood of the Chinese people.
