THE MODERN GARDEN
- PART II -

The journey through the garden continues. Who would dare to believe that only one menu would cover all exciting flavors? We've just begun.. And as we walk down the paths and aisles of flowers and weeds, we re-animate the flora into forms of vibrant liquid creations. Adding a modern touch to it through handpicked glassware, carefully selected garnishes and with a dose of characteristic Pharmarium elements, we present to you – "The Modern Garden Part II" – Odd flavors in the finest harmonies.
