

OLD TOWN  
GLORY  
VOL 20

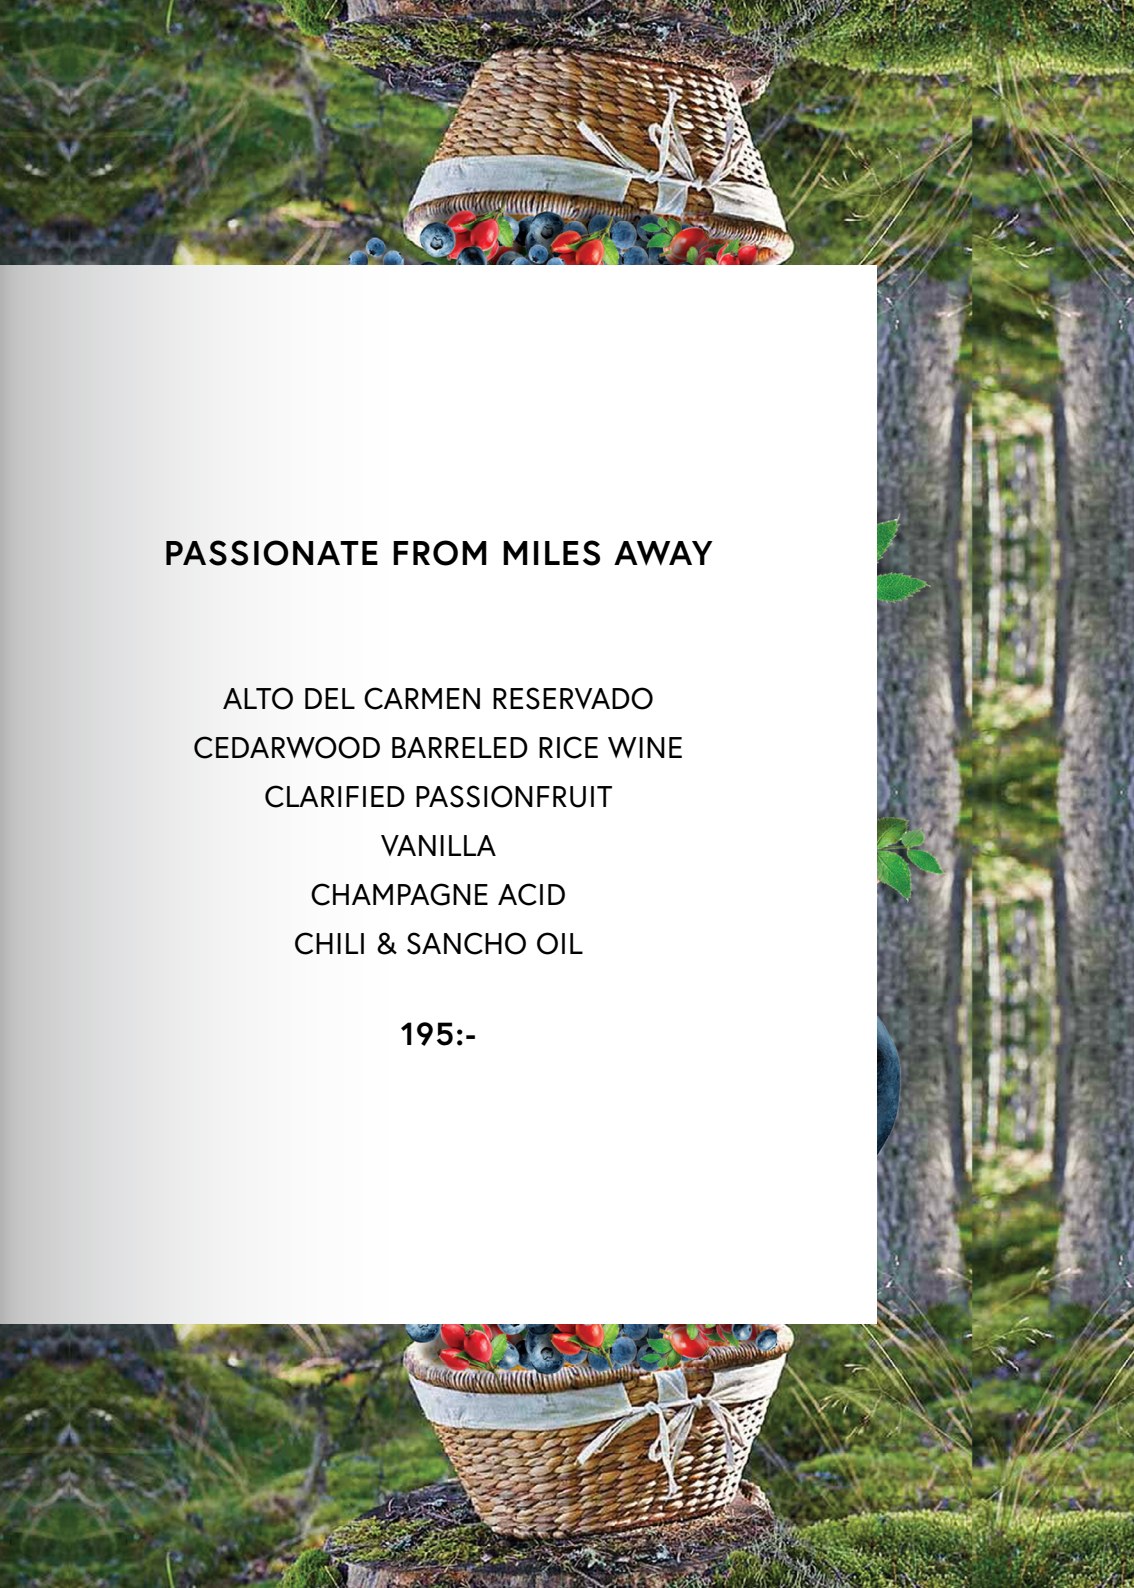

For a decade, Pharmarium has been a gathering place for social interactions and cultural encounters. Over the years, the mystique and creativity of Pharmarium has been successfully conveyed through diverse cocktail menus.

In the summer of 2024, we're updating the 20th edition of our menu and our interpretation of Pharmarium's DNA. In this menu, we have chosen to give some beloved classic summer cocktails a makeover, whilst keeping some of the crowd favorites, working with carefully selected products & ingredients that meet beloved flavors.

We would like to take this opportunity to thank new and returning guests for being part of Pharmarium.

Team Pharmarium  
2024
