WELCOME TO MISTER FRENCH

Our story begins in 2013. The award-winning design agency "Stylt Trampoli" has just created a new restaurant located on Skeppsbron in Stockholm. The name is "Who is Mister French" and refers to an internal joke that the founders came up with, when they at first chose to be anonymous. "Who is Mister French" quickly became a very popular destination for both locals and global cosmopolitans with its great food, delicious cocktails - and spectacular view.

"Mister French, where the champagne corks always sit loose" - Anonymous

The following year, 2014, "Who is" was removed and the restaurant's name became Mister French. A French/American brasserie with focus on classic but also innovative seafood, fish and meat dishes. The great atmosphere and the quality of food and drinks got even better and Voilà, a new institution in Sweden's restaurant life was born.

In 2019, our second restaurant opened, in the middle of the town square in Sweden's Aspen, more precisely, Åre. A newer, younger version of the original and with a gastronomic adaptation to the ski resort. Still with the same stylish decor and quality of food, drinks, service and the joy of a vibrant atmosphere.
