So, sip, savour and lose yourself in the tale. After all, why spoil a good story with the truth?

EDEN

Inspired by the legendary Garden of Eden, where Adam and Eve could not resist temptation. We have mixed apple-infused vodka, a nod to the forbidden fruit, with our homemade golden beet cordial, representing the Earth they were banished to. This combination gets a fizzy twist, as every indulgence should sparkle, right?

BABYLON

The Hanging Gardens of Babylon, a lush green tower in the heart of the desert. We blend mint-infused rum with matcha to capture that vibrant greenery, while a delicate hibiscus air floats on top, symbolising the dry lands that surrounded Babylon. Served in a glass that echoes the tower itself, this drink is a refreshing escape.

ELDORADO

The city of gold “El Dorado” has inspired many adventurers in a quest for its location, all across South and Latin America. We believe it might be hidden in Mexico, so we crafted this rich cocktail in its honour. Sherry, a nod to the Conquistadors, combines with Mexico’s own reposado tequila, hazelnut and chocolate for a nutty chocolate twist on the Old Fashioned.
