KVARTERSKROG & BARSERVERING

## BIG NIGHT –

### THE WAY WE OURSELVES LIKE TO DRINK & EAT WHEN WE GO OUT

We're letting the food come out of the kitchen at a good pace,  
so we have time to drink, maybe secretly have a smoke or tell an anecdote

### Big night – 695

We're starting off with some cold smaller dishes,  
keep on going with some warmer,  
continues with thin slices & Italian cheese  
A platter with hot clams swimming in parsley & garlic  
Now: a TINI MARTINI from our bar  
Spaghetti of the night  
Time for the meat or fish of the evening - or maybe both  
Now we're full, but a little cheese is always great with the last wine  
We're finishing off with some creamy sorbet  
with the coffee we'll serve some chocolate

Now we're done with the food, time to go home those of  
you who have promised an early night,  
the others keep on in the bar where all the drinks live ...

We would love to help you with the wine - good, better or best!
